MO' PHATT Structure

Digital Sound Factory brings the complete sound set of E-MU's legendary Mo' Phatt sound module to your Structure Synthesizer and includes every chart-topping sample of the original with full effects and synth implementation. Mo' Phatt is an indispensable tool for every serious Hip-Hop musician/producer, delivering all the sonic tools you need to move the masses. Four folders are included and contain the patch files for each of the four banks from the hardware sound module.

Also available:

www.DigitalSoundFactory.com has exclusive license to re-master existing instrument libraries created for E-MU and Creative platforms, and to create brand new libraries from recording sessions that have never been published. DSF libraries provide the opportunity to experience these world-renowned sounds on your computer.
